

ManEx Minute

Take a minute to save time with ManEx.

Dear Valued Customer,

Did you know that the Quote Module (QOT) will automatically select supplier pricing based on user selected criteria?

While editing the quote on the “Material Summary” tab users can select the desired pricing criteria to have ManEx automatically analyze the component pricing and select the suppliers with the best price according to the user defined criteria.

Currently users can select “Lowest Price” which will cause ManEx to select the supplier with the lowest price. Very soon users will be able to select “Shortest Lead Time”, “Lowest Minimums”, “Lowest Price Within X Weeks” This addition has the potential of savings of several hours on each quote prepared in ManEx.

To learn more of the great features in the module, please refer to the [Quote Management](#) Manual.

This is just another way we are developing ManEx with YOU in mind.

Sincerely,

David Sharp
