

ManEx Minute

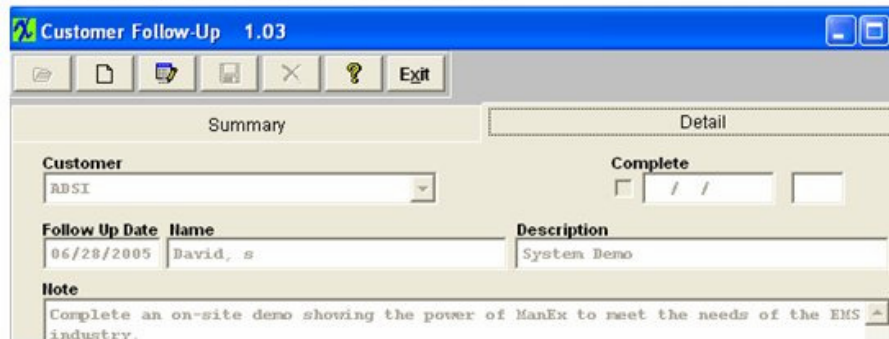

Take a minute to save time with ManEx.

Dear Valued Customer,

Did you know that ManEx gives you the ability to track customer related issues and tasks in ManEx?

Users can access this module under: Sales Mgt/Sales Order Management /Customer Follow-up. They are then able to store their actions items online.

This not only provides a central location for the data, but also allows other employees to fill in when the main contact is on vacation or otherwise unavailable.

For more information on the Customer Follow-up please refer to the [Customer Follow-up Manual](#).

This is just another way we are developing ManEx with YOU in mind.

Sincerely,

David Sharp
