Developing with YOU in Mind

ManEx Minute

Take a minute to save time with ManEx.

Dear Valued Customer,

Did you know that ManEx allows users to create Work Orders (WO) directly from the Sales Order (SO) screen?

Ln	Part Number	Rev	Class	Type	Description	Ord Qty	Back Order	Shipped Qty	UOM
00000001	910-1001		A	FGI	TEST-1A	1000.00	1000.00	0.00	EACH

By editing the SO and selecting a line item, users are able to create a WO by clicking the “Issue Work Order” button. ManEx will schedule the new WOs according to the delivery schedule from the SO. This does not prohibit users from using the WO screen, but it does allow users to save time and ensure that production will begin ASAP at the time the SO is created.

To learn more of the great features in the module, please refer to the [Sales Order Management Manual](#).

This is just another way we are developing ManEx with YOU in mind.

Sincerely,

David Sharp
